Come to BIEMH

In our current context of dizzying change, only truly prepared companies will be competitive.

Being prepared requires accessing the knowledge and technology that make it possible. BIEMH is the destination point to achieve this.

It is a meeting point that also serves as a crossroads for the industry's future and opportunities. In order to make visits easier for professionals with purchasing power over the products and services that will be exhibited at the trade fair, we offer the Hosted Buyers' Programme.

JOIN OUR HOSTED BUYERS' PROGRAMME!

Enjoy special benefits and make the most of your visit.
By participating in this programme, you will enjoy the following advantages:

- **1, 2, or 3 nights' accommodation***
- **Free access to the Exhibition Area**
- **Free access to conferences**
- **Arrangement of meetings with exhibitors**
- **Invitations to social events**
- **Access to the VIP lounge**

Confirmation deadline: 30 April 2024

The profile of applicants must be approved by the organisation.
*The invitation dates will be determined depending on the company's background.

ARE YOU **READY?**

READY FOR SOMETHING BIG?

As big as the future itself.

BIEMH is an international technology and industry meeting point of the highest level, where leading companies come together. Your company can't miss it.

READY FOR INNOVATION?

BIEMH is the perfect showroom for the latest advances in technology, smart solutions, and advanced manufacturing. It is a place for professionals from around the world to get an in-person introduction to innovative and personalised products and services offered by the market's most cutting-edge companies.

READY TO DO SOME BUSINESS?

BIEMH is synonymous with commercial opportunities. To both strengthen ties and expand your connections with new companies from a wide range of sectors and locations.

READY FOR NEW EXPERIENCES?

As a major event, BIEMH offers a complete experience for you to enjoy a real live technology festival, an extensive programme of events and activities, and the best the Basque Country has to offer, including its culture, landscapes, and gastronomy.

READY FOR SUSTAINABILITY?

The future is inconceivable without sustainability. For this reason, as an event, BIEMH's sustainability revolves around a six-pillar action plan: mobility, energy, water, purchasing, infrastructure, and waste.
